If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Colonel John J. Klipp received a severe kick on the ankle by a horse during the parade yesterday.

All parties having bills against the Redmen's Powwow will please present same to Secretary Thomas not later than Monday afternoon.

The ladies of the Y. M. C. A. will have a lawn fete at the home of Mr. R. A. Cochran Monday evening, June 27th, from 7 to 11.

George Means was tried by a jury in Judge Whitaker's Court yesterday on the charge of abusing his family. He was fined and costed \$19.50 worth.

Mr. H. P. Chenoweth and daughter, Julia, of Birmingham, Ala., arrived yesterday morning on a visit to relatives. Henry is the proud daddy of a promising son who was 21 years old yesterday.

Beginning tomorrow, you'd best look over the C. and O. timetable before you start for the Station. You might want to go on a train that doesn't go now, or which now goes at a different hour from what it went formerly.

The funeral of Mrs. W. W. Lynch will take place from her late home in East Third street this afternoon at 2 o'clock, the Rev. T. S. Buckingham conducting the services. The interment will be in Maysville Cemetery.

See me when in need of a nice diamond or watch; we have prices that will interest anyone in need of any goods in my line; see me before buying anything in the line of Jewelry.

MURPHY, the Jeweler.

Mr. Alfonso C. Silva and Miss Augustin M. Poor of Aberdeen, O., have secured license to wed in this city tomorrow. Both were shopmates at the Limestone Cigar Factory of E. A. Robinson & Co., and it evidently was a case of love at first sight.

C. W. Naylor, a stranger who hails from New York and who has been here for some time taking orders for enlarging pictures, was placed in Jail last night by Constable Chisholm on an embezzlement charge sworn out by the firm with which he is employed.

Yesterday noon the spacious office of the New Central presented an animated and novel scene. A bevy of handsome girls held the fort and were working and electioneering like beavers for their favorite in the Carnival Queen contest. They were almost as strenuous as workers at a Democratic Convention.

Sheriff James Mackey received a letter yesterday from his wife, who is at Martinsville, Ind., bringing the welcome intelligence that she was able to walk about her room. Mrs. Mackey has been an invalid for a long time from rheumatism, and when she left a week ago Thursday had to be carried to the carriage.

All members of Company D, Second Infantry, K. S. G., are commanded to appear at the Armory Monday night, June 20th, at 7 sharp; in inspection by Lieutenant-Colonel Morrow. All members not attending this inspection will be court-martialed and fined \$5.

J. ALLEN DODSON, Captain.

Maysville hasn't had it all this week. There are a few things in store for next week. Monday we'll have a circus. On Tuesday the Kentucky Educational Association will open a three days engagement at the Opera-house, while Judge Harbison's Justice Factory will be in full blast at the Courthouse, to say nothing of Registration Day on Tuesday.

John Thomas, the ten-year-old son of Colonel John J. Feltns, Colonel Lovel's right-hand man, while playing in East Fourth street yesterday evening had his leg broken by being struck with a rock thrown by William Davis the blacksmith. Dr. J. H. Samuel set the limb and the patient is getting along very well. The matter will be further investigated.

Yesterday a number of gentlemen champions of Miss Annie Payne raised a pool of \$110 to boost her cause in the Carnival Queen contest. They finally concluded the best way to even things up was to purchase the young lady a handsome ring with the money instead of buying votes and standing to lose out in the end. A \$75 ring was bought and presented to Miss Payne, and the snarl will be used in giving a hop at Washington Hall. And the Russo-Jap war continues.

Mrs. C. Edward Geisel of Front street had an experience of her own. This morning while engaged in feeding a brood of young chickens in her back yard she was startled by the appearance of a huge snake, who, no doubt, was out after his breakfast. Mrs. Geisel has been missing young chickens, and the presence of his snakeship explained matters and made it plain who was the thief. After recovering from her fright Mrs. G. called assistance and Bosco, the snake eater, who takes them alive—George Griffin—dispatched the reptile in short order. The snake was over six feet long.

OFFICE—PUBLIC LEDGER BUILDING, MAYSVILLE, KY.

SUBSCRIPTIONS—BY MAIL.

One Year \$3.00  
Six Months 1.50  
Three Months .75

DELIVERED BY CARRIER.

Per Month .25 cents  
Payable to Collector at end of Month.

THE LEDGER wishes to state that the voting of \$12,000 worth of Sewer Bonds will not increase your city taxes.

ONE man was killed instantly and four others punctured with bullets over the election of a schoolteacher, down in Texas. Fortunately, matters have not reached that stage in Maysville.

NONE but the wealthy Country Editors from hereabouts were able to attend the K. P. A. and St. Louis Fair this week; we uns of the city dailies had to stay at home and give the people the news.

ONE way to reduce your taxes is to have more people to help you pay the expenses of carrying on the city government. One way to get more people to help you, is to secure the Continental Tobacco Company's plant. And the only thing now necessary to get that, is to vote for the Sewer Bonds.

THE people who sell Groceries and Drygoods and Clothing, and who have houses to rent, are most deeply interested in having a larger number of working people in Maysville. They are the ones who will get by far the largest share of the earnings of the workers. Hence they should make every effort to insure the location here of the Continental Tobacco Company's big plant, and to insure that the proposed sewer must be built in the Fifth and Sixth Wards. When the people vote on June 28th to issue the bonds, the matter will be settled.

THE Courier-Journal remarks that Labor organizations are calling upon the President to send troops to Colorado. A great change seems to have come over them. A short time ago they were so opposed to troops that they refused to allow their members to serve in the militia.

THE loss of the Government through the sale of land at \$2.50 an acre, under the timber and stone act, is estimated by the Commissioner of the General Land Office at \$100,000,000 to \$115,000,000. But what's the difference—"Uncle Sam is rich enough to give us all a farm" is a long-bearded campaign song.

THE report comes from Washington that the President has asked Mr. YERKES to make one of the speeches seconding his nomination at Chicago. This may not be true; if it is, it looks like the President has assumed a good deal, for it was generally understood that the Republicans of Kentucky, in Convention assembled, had chosen Governor BRADLEY to do that bit of work.

UNCLE SAM had paid big bills abroad before now, but the Panama payment of \$40,000,000 in one check tops them all. Six years ago he paid Spain \$20,000,000 on account of the Philippines, but the amount was sent in four warrants of \$5,000,000 each. Previous to that the most historical warrants were \$8,000,000 issued to Russia in payment for Alaska in 1868 and \$5,500,000 paid England forwards in Halifax fishing infringements.

## GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

## FOLEY'S KIDNEY CURE

It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversy Blvd., Chicago. June 11, 1902.

## HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Hoesche's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. For sale by Henry W. Ray, Postoffice Druggist.

## "HEAP BIG SHOW!"

### Augusta Indians Brought Their Big Name With Them

### This Will Be Your Last Day For a Good Time

Yesterday was the banner day of the Carnival. The crowd was larger and there was more doing. A goodly number came in on the L. and N. and our neighbors from the other side of the water were more generous with their presence. The Courier brought up from Augusta a delegation of Indians, headed by a band, 240 strong, and the contribution from the county swelled the crowd to large proportions. Really, this crowd was necessary to escort the alphabetical diarrhea of Paugheughnaugh-sinque—and Tom Abbott. The parade came off as advertised and among

the notable features were the three bands, John I. Winter & Co.'s float, Haymakers band wagon and a barouche containing the Trilbys.

The sensational event of the day was the high dive by Captain Carter, witnessed by a multitude of sight-seers.

Captain Carter makes the dive from a ladder at an altitude of 110 feet and lights in a tank of water.

It is a most dangerous feat and requires nerves of steel in its performance.

This hazardous act will be repeated this afternoon at 1 o'clock on the lot at Limestone and Front streets.

The Neptune Hall was thronged with a crowd of gay young people last night, the Carnival Ball, one of the gayest affairs of the week, being given there.

Shortly after 10 o'clock Miss Nettie Smith, who had been voted the Queen of the Carnival by a large majority, was crowned, Mr. James W. Outten gracefully doing the honors.

The vote of the principal contestants was—  
Miss Nettie Smith.....21,115  
Miss Annie Payne.....8,258

He addressed the large assemblage in a most eloquent manner, and presented Miss Smith, in behalf of the Redmen, the very handsome ring for which the contest was waged.

The Grand March was then formed, and the Ball was formally opened, the dancing being kept up with unabated pleasure until early morning hours.

Today ought to be the biggest and best of the week.

A good program is promised, one of the features is the Trail.

This alone will be well worth seeing, as a large number of Indian warriors, mounted on horses, have promised to participate.

Now all you red hat fellows get out and make the last day the very best of the week.

Daisy Hams taste like more.  
M. C. RUSSELL, Co.

Mr. Charles Lafferty and family of Forest avenue are at Rome, O., called by the sudden death of Mrs. Lafferty's father, Mr. McFarland.

The funeral of Mrs. Martin Morris will take place at 9 o'clock Monday morning from St. Patrick's Church, the Rev. P. M. Jones conducting the services. The interment will follow in Washington Cemetery.

Sun Brothers New Railroad Shows will exhibit at Maysville on Monday, June 20th. Two performances, 2 and 8 p. m., rain or shine. Doors open one hour earlier. Watch for grand street pageant day of show at 11 a. m.

Trial Bottle Free to Every Woman.

The freedom and relief from pain and suffering that Zoa Phora has brought to women during childbirth alone is enough to render it the greatest blessing of the age to women. Zoa Phora makes the change from maidenhood to womanhood safe and easy and is a matchless remedy for young girls during this critical period of their lives.

The women of America endorse and praise Zoa Phora. All women can secure perfect health and happiness who will use Zoa Phora. All who have used it are now rejoicing in these blessings as their words of praise and gratitude prove. The following letter is only one of thousands which we receive:

Mrs. C. H. Clark, Box 365, Lake View, Mich., says: "I wish to say a few words of praise for Zoa Phora, as it is certainly the best medicine I have ever used for women's troubles. I have suffered with leucorrhoea for seven years, and I also fell causing miscarriage, from which I suffered for five years. I had a six months' birth, which nearly caused death, and ever since I have been sickly."

"Last Christmas one of Dr. Penney's books, 'Advice to Women,' came within my reach, and so I decided to try a bottle, and have found the very best of results. February 22 I gave birth to a little girl, and she is strong and smart, and I am in the best of health I have had for over seven years, all from the use of Zoa Phora. I will say anyone who is troubled in like manner or expecting confinement, should use Zoa Phora, and it will certainly be of great benefit to them. I know it makes childbirth much easier than without it."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, 'Advice to Women.' The doctor will give gladly free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

Quite a crowd from here attended Children's Service at Tullahoma M. E. Church, South, last Sunday. All speak of the well-trained children.  
The Reaper of Death came without warning and plucked the bright little son of Warren Gardner, June 6th. Every one was touched by the sad death.  
While others are famous for their bravery in charming snakes, we must speak of the exceptional courage of Mrs. Frank Goodwin in killing a nest of mice as fast as she could deal the deathly blow.

Whose curtains never outward swing."

**PUT TO THE TEST.**

Maysville People Appreciate a Good Thing.

Everybody has their hour of trouble, But people having any itchininess of the skin Have many hours of trouble. Nothing so annoying. Nothing so irritating. Scratch it, it becomes worse; Leave it alone and you can hardly stand the misery. Itchininess comes in many forms—Eczema and horrid itching piles. Relief and cure are here at last. Doan's Ointment cures every form of itchininess of the skin. People at home are learning that this is so. Here is a proof in a citizen's statement. Mrs. Fannie Hunter of 446 Forest avenue says: "Doan's Ointment which I procured at J. James Wood & Son's Drugstore, corner of West Second and Market streets, proved to be invaluable. I wish its marvelous curative powers were known to every one who needs a cure for the troubles for which the use of Doan's Ointment is indicated." For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

**NARROW ESCAPE**  
Dashing Young Man Dashed Into Another Man's Vehicle

Yesterday afternoon as Mr. Joseph Peed of the county was getting out of his Dexter in front of Dieterich's flower store in Market street, a young man driving a spanking team and a nobby turnout, in which were seated four charming girls, chattering nonsense and sweet nothings, and which evidently had so entranced the young Apollo holding the reins as to cause him to see nothing but their sweet selves, and while in this trance he drove the right hand horse plumb astraddle one of the wheels of the Dexter and dashed it in such a manner as to necessitate the attention of a smith: It was lucky for all concerned that the incident was not of a more serious character. As it was, it had a squally enough appearance for a few minutes.
